

# A.C.E.S. AFTERSCHOOL

*Bigfork ACES Weekly Update - Oct 14, 2016*

## FORT BUILDING

On Thursday a group of children signed up to build a fort as part of our team building/engineering lesson! It was a crazy time with lots of excitement and planning. In the end the children decided to turn the fort into a movie theater and watch "Wild Krats" inside their project! Well done kids.

## Art Projects

Lusana, our Art Teacher, has had a family emergency and has to be away for a while. There is a lot of concern about the student's clay projects. Just so you know they are safe and sound at the kiln and Lusana will pick them up when she returns. In the mean time we will be doing watercolors, taught by Christina! Check out some of the projects above!

## *Announcements*

### **Guitar lessons - 4th grade and higher!**

ACES is partnering with Crown of the Continent Guitar Foundation to offer lessons in November!

This is a great opportunity to introduce yourself to guitar lessons! Our instructor, is a past Crown scholarship recipient and an excellent teacher! Guitars are available to check out for the 6 week session. Lessons will be on Mondays and run until Christmas. Please see Cathy for more information or watch the bulletin board above the sign out sheet.

## Pumpkin Carving Party

The Marina Cay and ACES have joined together for a Pumpkin Carving Party October 22, 2016 from 1p.m. - 4p.m. The cost is \$10.00/person with 40 slots available. Call Marina Cay at 837-5861 to reserve your spot at the carving table. Pumpkins, stencils, carving kits and food will be provided for participants. A picture of all the Jack-O-Lanterns will be posted on Marina Cay's Facebook page at the end of the event.

## Attention Parents and Guardians!

We are missing many of our ACES Student Registration materials including \$25 Registration Fee, Parent Handbook - last page signed, Behavior Policy, and Homework Contract if applicable.

Please be sure to get your fees and materials in ASAP! If you aren't sure if you've turned in your paperwork, please check with

Cathy. THANK YOU FOR YOUR ASSISTANCE!

---

## ACES Kid of the Week Johnny Candalaria

Johnny is officially our oldest ACES kid and is a great asset to our program!

He brings a lot of great ideas and helps out when needed. Johnny loves STEM - Science, Technology, Engineering and (not so much) math!

Thanks Johnny for being "ACES - Kid of the week"
